

# Exotic Feline Diet

## Canned

### Product Description

ZuPreem® Exotic Feline Diet Canned is formulated to be a nutritionally complete diet designed as the sole diet for carnivores such as non-domestic canines, hyenas, and exotic felines, such as servals, bobcats, lynx, cougars and caracals.

- **100% complete nutrition for growth, maintenance and reproduction life stages**  
No supplements required or recommended
- **Fed to exotic felines for more than 30 years**  
Time tested and proven efficacy
- **High-energy density with mineral restriction**  
Meets higher energy demands of felines while supplying a lower level of ash to discourage urolith formation
- **Fortified with taurine**  
Meets requirement of felines for this essential amino acid that promotes a healthy heart and eyes
- **Stringent quality control standards**  
Fixed formulation provides consistent dependable nutrition
- **High-quality ingredients**  
Improves digestibility and delivers important nutrients
- **Canned product**  
Longer shelf-life and easier to store than dry or frozen diets
- **Formulated by veterinarians and nutritionists**  
Provides precise and balanced nutrition for optimum energy and health

### Feeding Instructions

ZuPreem® Feline Diet is formulated to be fed as the sole diet for non-domestic carnivores in the families Felidae, Canidae, and Hyaenidae. Supplementation in any form may upset the balance of this diet.

Feed ZuPreem Feline Diet free choice to non-obese prone animals. Most carnivores should eat approximately one can of ZuPreem Feline Diet per 25-30 lbs body weight daily. The correct quantity fed is one that maintains an appropriate body weight. Food consumption may vary between species and individuals of the same species. If necessary, ZuPreem Feline Diet may be introduced by mixing with the present diet in increasing proportions until it is the sole diet being fed.

Cover and refrigerate the unused portion. Best if served at or slightly above body temperature.

**Do not feed to cattle or other ruminant animals.**
